

Application Number 10/081,661
Amendment dated March 26, 2004

REMARKS

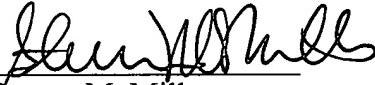

The Notice of Allowability indicates that Claims 1-21 are allowed. The Applicants note that Claims 19-21 were cancelled in Amendment A filed January 15, 2004. If the cancellation of Claims 19-21 has not been entered in the referenced application, Applicants respectfully request the cancellation of claims 19-21 to be entered herewith.

The present Amendment is directed to matters of form only and does not affect the substance or patentability of the claims. This Amendment could not have been made earlier since the error in the allowed claims was first noted after receipt of the Notice of Allowance.

Therefore, it is requested that the Amendment to the claims be entered and that the application be passed to issue. In the event that a telephone conference will expedite prosecution of the application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,
